Lecture (Date, Time, Location)	Date of the lecture: 02.09.2025 Time of the lecture: 11:00 Place for the lecture: Faculty of Sciences and Engineering Alexandria, Turnu Magurele Street, no. 1-3A, Alexandria,

	Romania, 140003, AX Building, 020 room.
Competition Procedure Description	Proposed candidates will deliver a lecture in which they present their most significant previous professional results and vision for the development of their academic career and the discipline, all of which will be used to assess professional maturity, academic leadership, and relevant scientific contribution to the field.
List of Required Documents	Documents Submitted by the Candidate: List of Required Documents 1. Application for the competition, signed by the candidate, including: a statutory declaration regarding the authenticity of the information provided in the file and the committee's resolution regarding the information in the compliance verification form (with the members' signatures). 2. Proposal for academic career development regarding scientific activity and teaching competencies for candidates applying for academic positions, and scientific activity and research competencies for candidates applying for research positions; the proposal must be written by the candidate, be no longer than 10 pages, and is one of the main selection criteria. 3. Candidate's curriculum vitae, both in printed and electronic formats. The Europass CV must include: - details about completed studies and diplomas obtained; - details of professional experience and relevant former employment; - information on research and development projects managed as project director and any grants obtained, including funding source, amount, and major publications or patents; - information on awards or other acknowledgments of scientific contributions. 4. List of the candidate's works, in both printed and electronic formats. The full list must be structured as follows: - up to 10 works considered most relevant for the position; - doctoral thesis or theses; - patents and other intellectual property titles; - books and book chapters; - full articles/studies published in major international scientific journals; - full publications from major international conferences; - other scientific or creative works. 5. Compliance verification form, in both printed and electronic format, as per the university's methodology. The form must be completed and signed by the candidate. 6. Documents proving the doctoral degree or proof of enrollment in a PhD program (within the legal timeframe), including certified copy of the doctoral diploma and, if not recognized in Romania, a certificate of recognition or equivalency.

	7. Summary of the doctoral thesis, in both Romanian and an international language, one page per language. 8. Statutory declaration by the candidate specifying any conflicts of interest as outlined in Law no. 199/2023 on Higher Education, or a statement indicating no such conflicts exist. 9. Certified copies of other diplomas proving the candidate's educational background. 10. Copy of ID card, or, if unavailable, a valid passport or equivalent document. 11. Proof of name change, if applicable (e.g., marriage certificate or other official document). 12. Up to 10 selected publications, patents, or works in electronic format, considered most relevant to the candidate's professional achievements. 13. At least three letters of recommendation for candidates applying for Full Professor or Senior Researcher I positions, from recognized experts in the field from abroad. For fields with Romanian specificity, letters may also come from national experts outside the employing institution. 14. Criminal record certificate 15. Behavioral integrity certificate 16. Medical certificate, issued using a specific form approved by joint order of the Minister of Education and the Minister of Health 17. Medical clearance for teaching profession, issued under the same joint order mentioned above 18. Habilitation certificate, required only for Full Professor positions 19. Copy of the habilitation certificate/order granting doctoral supervision rights 20. Copy of the psychopedagogical training certificate 21. Proof of payment of the application fee
